25X1

25**X**1

SECRET

25X1

(2) One Service Battalion (Bataljon Obslugi Lotniska),
was directly subordinate to the 26th
Fighter Regiment and consisted of about 50 officers
and 250 enlisted personnel. It was located on the
airfield and had the following address:

25**X**1

Zegrze Pomorskie JW 3895, Powiat Koszalin.

(3) One Technical Service Unit (Dywizjon Obslugi Lotniska)

was directly subordinate to the 26th Fighter

Regiment and consisted of about 20 officers and 140

enlisted personnel. It was located on the airfield and had the following address:

25**X**1

Zegrze Pomorskie JW 1385, Powiat Koszalin.

(e) unit was permanently stationed at the location given under (a) above.

25X1

- (f) The present location of the unit is the same as that given above (a).
- (g)

25X1

- (h) The Commanding Officer of the 26th Righter Regiment at Zegrze Pomorskie Airfield was (Major) Rondzier (fnu), his deputy was Captain (fnu).
- (i) Zegrze Pomorskie Airfield had the following aircraft and equipment:
  - 15 MIG-15
  - 12 MIG-15 Bis
  - 13 MIG-15 LIM-2 (newest series)
  - 4 YAK-11
  - 1 P0-2
  - 4 UT-MIG-15 (two seater trainer)
  - 20 Dødge trucks
  - 20 Refueling trucks
  - 15 ZIS-152 trucks
  - 20 Other type trucks
  - 2 Tractors
  - 2 Buses
  - 2 Sedans
- (j) All personnel on the base had to attend periodic lectures on atomic warfare which were very brief and held about once menthly. The lectures were not taken seriously by the personnel.
